

# Traffic Advisory Notice

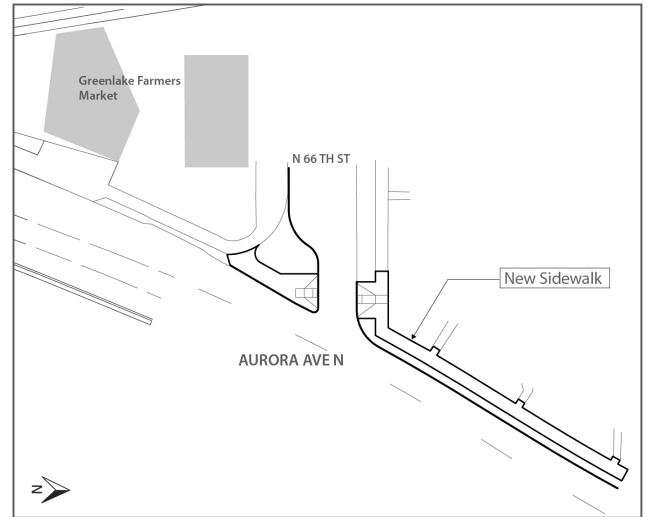

## New Bus Stop and Pedestrian Improvements

### In the vicinity of Aurora Ave North and North 65<sup>th</sup> St.

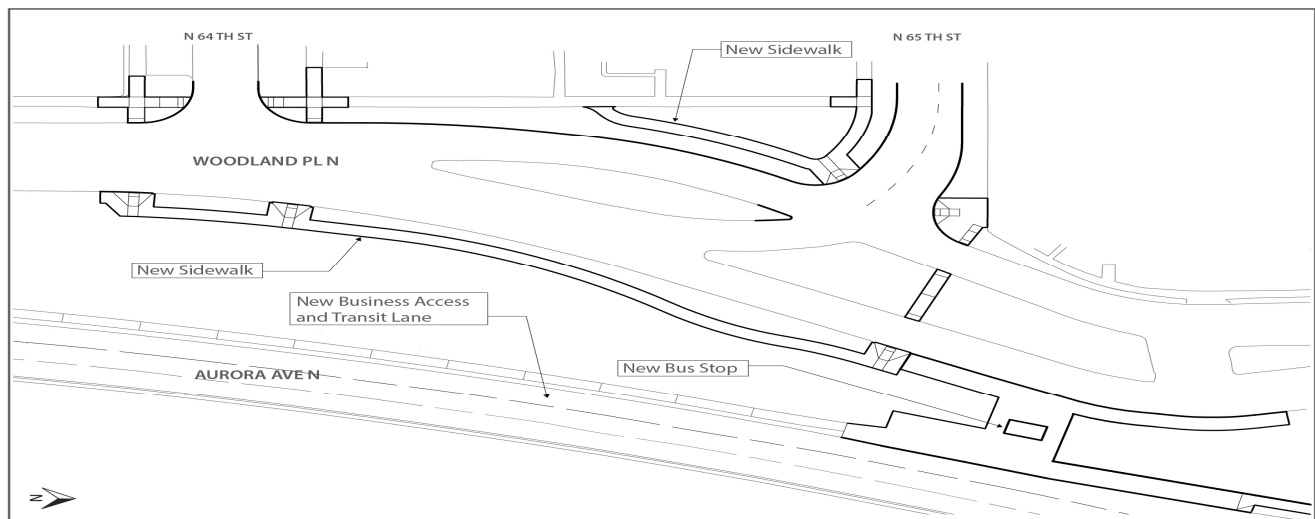

### Starting Summer 2013

RapidRide E Line service is scheduled to begin this fall 2013 and a RapidRide station is planned at Aurora Avenue North and North 65<sup>th</sup> Street. To better connect pedestrians to this station, SDOT has designed a set of pedestrian improvements and a Business Access and Transit lane, which include:

- New RapidRide E Line bus stop at Aurora Avenue North and North 65<sup>th</sup> Street, which includes a new bus shelter, bicycle rack and real time information kiosk
- New sidewalk connections, curb extension and curb ramps on the west and north side of Woodland Place North and North 65<sup>th</sup> Street.
- Intersection revision and new all-way stop at Woodland Place North and North 65<sup>th</sup> Street.
- New curb extension and curb ramps on Aurora Avenue North and North 66<sup>th</sup> Street
- New Business Access and Transit Lane on the west side of Aurora Avenue between North 115<sup>th</sup> Street to North 38<sup>th</sup> Street

The project is scheduled for construction starting late summer 2013 and will be completed in fall 2013.
